

## MANUSCRIPT SUBMISSION PROCESS

*Annals of West University of Timișoara, Series of Biology* publishes original research papers, review articles and short communications on all aspects of the theory and application of biology.

**Fields of interest:** Zoology, Botany, Cell Biology, Animal Physiology, Plant Physiology, Genetics, Biotechnology, Environmental Sciences, Microbiology, Behavioral Sciences, Molecular Biology, Conservation Biology, Biomedicine and health, Biology Teaching, Agriculture and preservation of natural resources.

Starting in 2011, the *Annals of West University of Timișoara, Series of Biology* is published electronically only.

Since 2012, *Annals of West University of Timișoara, ser. Biology* is a biannual journal.

The journal encourages authors to frame their research questions and discuss their results in terms of the major questions of biology, medicine and agriculture, thereby maximizing the impact, spreading and value of their research. The papers must be of potential interest to a significant number of scientists and, if specific to a local situation, must be relevant to a wide body of knowledge in biology, medicine and agronomy.

This is an **open access journal** which means that all content is freely available without charge to the user or his/her institution. Users are allowed to read, download, copy, distribute, print, search, or link to the full texts of the articles in this journal without asking prior permission from the publisher or the author.

**Responsibility** upon the articles content belongs to the author(s). It is the author's responsibility to obtain permission to reproduce illustrations, tables, etc. from other publishers. We encourage all authors to inform us of any change in their address, contact telephone numbers, or e-mail address (preferably an institution email address to be given), in order to avoid delays in the peer review and publishing process. Please note that only one corresponding author per manuscript should be provided.

Submission of a paper implies that it has not been published previously. Before submitting your manuscript, please ensure you carefully read and adhere to all the guidelines and instructions to authors. If possible, consult a recent issue of the journal to become familiar with layout and conventions. Manuscripts not conforming to these guidelines may be returned. If you would like to discuss your paper prior to submission contact the Editor-in-Chief.

Papers will be submitted via e-mail in MS Word (.doc/.docx) format, according to INSTRUCTIONS FOR AUTHORS, to the address: [nicoleta.ianovici@e-uvt.ro](mailto:nicoleta.ianovici@e-uvt.ro). Papers will be published in English. In some cases, at the request of the authors, we can accept text published in other languages,

including Romanian (except the title and abstract who will be written in English). Any acknowledgements should appear at the end of your article prior to your References. The authors confirm that they have disclosed all and any actual or potential conflicts of interest with their work. When authors submit a manuscript of any type or format they are responsible for disclosing all financial and personal relationships that might bias or be seen to bias their work (please read our special section - Publication Ethics and Publication Malpractice Policy).

The research papers must be original and refer to topics of fundamental or applied research. They must be also concise, focused on new results and data, and to not exceed 10 pages. Longer manuscripts may be accepted for publishing at the discretion of the editorial office. The length of the short communication, including figures and bibliography, is limited to 4 pages. The review present the achievements on a certain research topic in a critical and exhaustive analysis based on updated and complete references. There is no page limit for review papers.
